FundInvoice are proud to have been nominated as "Finalists" in the **Business MoneyFacts Awards 2015** under the category of The Best Asset Based Finance Broker. The winners are to be announced in a few days time so our fingers are crossed! Our thanks goes to all the customers and funding partners that took the time to vote for us.

This edition of FundingVoice includes our new customer review and rating system, which has been getting some great feedback together with an article about some of the findings from our recent survey of existing invoice finance users.

Recently we have been able to assist a lot of existing invoice finance users price check the rates that they are getting. We don't charge you to do this and you may well be able to save some money, so if you would like a free, independent price check, without any obligation, please contact me and I will be pleased to help - it only takes 5 to 10 minutes.

With kind regards,

## 5 Star Rating So Far

We have introduced a new area on the website where existing customers are able to post reviews and rate our service (out of 5 stars).

We post the ratings and comments, without any change, onto our site.

Although we have only just launched this feature, its is nice to see that we have so far been rated 5 out of 5 stars in every single case and there are some really positive comments . . . [read reviews](#)

## Invoice Finance Free Research Report

There is a PDF summary report of our recent research findings, regarding the invoice finance market, on our site.

It includes a summary of our mystery shopper pricing comparison and our studies

## "Hidden Gem" Of Funding

In a recent survey of existing invoice finance users, one described the product as:

***"a secret gem hidden  
under a pile of overdrafts".***

In the same survey, 22% of respondents thought that a lack of awareness and promotion had stopped more businesses benefitting from these cash flow enhancing funding products . . . [read full article](#)
