

98% Would Recommend Invoice Finance - July 2015

Welcome to the latest edition of FundingVoice magazine, bringing you the latest invoice finance news. I would like to thank our expert contributors at MarketInvoice and Cash Flow Professionals for their articles that you can read below.

Our recent study of existing invoice finance customers found that **98% of users said that they would recommend invoice finance** to other businesses, reassuring news for anyone considering using these products for the first time.

As always, if I can help you by conducting an independent invoice finance quotation search for you **please contact me**. On average I have been able to:

- **Save 4 out of 5 businesses money** on quotes received elsewhere and
- **Save my clients 35%**, on average, of their invoice finance costs

With kind regards,

Sean

New Government Tackles Late Payment - Cash Flow Professionals

The Conservatives, as a key plank of their manifesto, announced that they wished to introduce a small business conciliation service to reduce late payment problems. This service will help to settle disputes between small and large businesses reducing the need for litigation, which can be extremely expensive, as well as helping to maintain good customer/supplier relationships.

Sajid Javed, the new Business Secretary, has stated . . . [read more](#)

78% Of Invoice Finance Users Haven't Checked Prices In A Year

A staggering 78% of existing invoice finance clients that we surveyed have not had a price check, against the market, in the last year. Despite this, 71% of those that haven't had a price check said that they wanted their invoice finance facility to be improved by reducing the charges!
