

## FundInvoice - Finalists In 1066 Business Awards - August 2015

I am pleased to announce that FundInvoice were nominated as "Finalists" in the recent 1066 Business Awards, you can read full details here: [1066 Business Awards](#).

This edition includes an article about Selective Invoice Finance, kindly contributed by GapCap, our Free Credit Control "How To" Guide and some quotes from actual users of invoice finance.

As always, if I can help you by conducting an independent invoice finance quotation search for you **please contact me**. On average I have been able to:

- **Save 4 out of 5 businesses money** on quotes received elsewhere and
- **Save my clients 35%**, on average, of their invoice finance costs

With kind regards,

*Sean*

### A Take On Selective Invoice Finance From GapCap

Invoice finance might not be something you consider on a day-to-day basis, but cash flow issues may well be a contender. In fact this concern might be more common than you think in the UK. According to research from Bacs Payment Schemes, SMEs are spending an average of £10.8 billion per year attempting to recover overdue or late payments . . . [read about an alternative](#)

The logo for GapCap, featuring the word "GAPCAP" in a bold, sans-serif font. The letter "A" is stylized with a red triangle pointing upwards, and the "P" is a dark purple color.

### Free Credit Control "How To" Guide

Credit control problems are common to almost every business so we thought it might help to produce a free credit control "how to" guide, for those that want to run their own credit control, with everything you need to know about ensuring you get paid on time, in one place . . . [free credit control guide](#)

## Quotes From Actual Invoice Finance Users

Our survey of existing users of invoice finance (using a selection of financiers) found that 98% of them said that they would recommend the service to others. This article quotes what some of them had to say about recommending invoice finance . . . [read quotes](#)

## Ban On Assignment To Be Abolished

An age old problem within the UK factoring and invoice discounting industry was "ban on assignment". This was a clause which was written into the terms and conditions of certain large organisations, prohibiting their customers from using invoice finance (which requires invoices to be assigned to a financier). The government have announced that the right to ban assignment is to be abolished. You can find your way to the source article via our blog . . . [read more on our blog](#)
