

42% Invoice Finance Cost Saving - April 2016

Welcome to the latest edition of FundingVoice magazine, bringing you the latest invoice finance offers, deals and discounts.

One of our partners has launched an introductory 25% discount, on single invoice finance fees, so we have added this to our [list of finance offers](#). We also have a great case study showing how one client has saved 42% on his fees as a result of reading FundingVoice.

If you just request an invoice finance quote we will send you one of our new pens (that doubles as an ipad/iphone stylus) whilst stocks last.

With kind regards,

Sean
