

## Business Finance Despite Bad Credit - June 2016

Welcome to June's FundingVoice magazine, if you haven't checked your invoice finance pricing against the market for a while, please let us get you a free quote with no obligation for you to go any further.

In this edition, we have some information about how you can raise business finance despite having a poor credit history. We have a case study about how we helped a construction sector business with a single debtor issue, and some interesting insights into the recruitment sector.

With kind regards,

*Glenn & Sean*

### Business Finance Despite Poor Credit

Getting business finance with bad credit, whether its your company that has a bad credit history, or you personally, appears to be a concern for a number of businesses.

Most companies are not aware that there are finance products available from lenders that will overlook your previous poor credit history . . . [read more](#)

### How Recruiters Solve Late Payment Problems

In our survey of local recruitment companies, analysis of the results has revealed that of the 17% of recruiters that were using invoice finance, all of them said that they had no issues over customers paying late.

There was a very clear split in the results . . . [see the results](#)

## Solving A Credit Limit Issue In The Construction Sector

We have just been able to help a construction sector company solve a cash flow issue by getting funding against their single debtor.

We were able to find them a credit limit that was several times larger than other funders were able to offer . . . [find out how](#)
