

## Difficulty Finding Business Finance? - November 2017

Best practice for anyone looking for business finance is to start by discussing what they need with a good broker. They will tell you what is available across the market, and what the latest offers are. [Arrange a free discussion](#).

We wanted to check how easy it would be to find our kind of independent brokerage and free advice services on the web - so we did some quick checks. The result was that it was extremely difficult - almost impossible, with large lenders being able to dominate the search engines. You can see the results of our research about finding finance online via our blog.

We hope that you will also take a look at some of our other recent articles, listed below.
