

## A Warning About Invoice Fraud

In this month's edition we wanted to let you know about a [new form of invoice fraud](#) that poses a risk to every business, and of course those that provide funding against invoices. You should know what you need to look out for.

At FundInvoice business is going well at the moment, we have built up a strong pipeline of new clients in the works, but we are never complacent. We are keen to help more businesses find the funding they need, and to check rates for existing invoice finance users against the market.

Please see a selection of our recent articles below including who is using these services, a slow-down in construction sector payments and issues manufacturers are experiencing getting access to funding.

With kind regards,

*Glenn & Sean*

### Why Use A Finance Broker?

This is a great example of how you can waste a lot of time doing all the leg work yourself, if you choose not to use a broker.

And why bother when you don't have to pay the broker anyway . . .
