

## Funding Invoices To An RPO At 90%

This month we headline with details of a recruitment client that we were able to successfully find 90% funding against their invoices to an RPO debtor.

We have an article in response to a few organisations that have been interested in [featuring on our site](#), in this magazine and on our social media channels.

Lastly, this edition includes information about the looming IR35 changes, and some clients that we have been able to assist with tricky invoice finance related issues.

For a free, independent invoice finance price search see details of our [secure data transfer](#) system to send your application.

With kind regards,

*Glenn & Sean*

### 90% Funding Against Invoices To An RPO Debtor

Another success story where we have been able to help one of our recruitment customers.

They needed a recruitment invoice finance company that could fund their invoices to an RPO customer at a 90% prepayment percentage . . .

### IR35 Changes Are Looming

There are some changes planned to IR35 by HMRC, from 6th April 2020, that need to be understood by recruitment companies.

All staff agencies need to check these tax changes to ensure that they don't become liable for any additional taxes and penalties . . .

### Improved Factoring Deal

This recent case study was a fantastic example of the numerous benefits that you can enjoy if you decide to search the market and move to an alternative factoring company.

In this particular case, the company that benefitted were using a bank factor . . .

### Factoring Despite An HMRC Deal

In this particular case, our customer had already been declined by several other providers, that they had approached directly, due to various issues that made this a more complicated proposition.

This included having a Time To Pay arrangement in place with HMRC, and dealing with a single debtor . . .
