

An Alternative To A CBILS Loan

As the current crisis continues, we have been grateful to remain busy helping SMEs find the finance they need to get through these difficulties. We have also been helping companies fund large one off orders for products such as PPE (personal protective equipment).

There has been a lot of comment in the press about the low approval rate for CBILS loans, so we are fortunate to be able to offer an [alternative to CBILS](#) that can be fully funded within just a day or two, even if you have been rejected or don't qualify for CBILS.

Below you will find a few of our other articles from the last few weeks. If you are in need of financial help - even if you just want to talk your situation through - we are always here, and ready to listen. Don't hesitate to contact us.

With kind regards,

Glenn & Sean

Are Temps Replacing Perms?

One of our prospects is pivoting from offering permanent placements towards temporary labour hire to the NHS.

Is this indicative of a more general trend away from perms towards temporary recruitment?
